

Unbalanced sofa's adjustment method

If you find that the sofa is uneven, please use the regulating screw.

You just need to remove the uneven side of the sofa feetcap and change to the regulating screw.

Installation method

1. pull it out

2. pull the regulating screw in

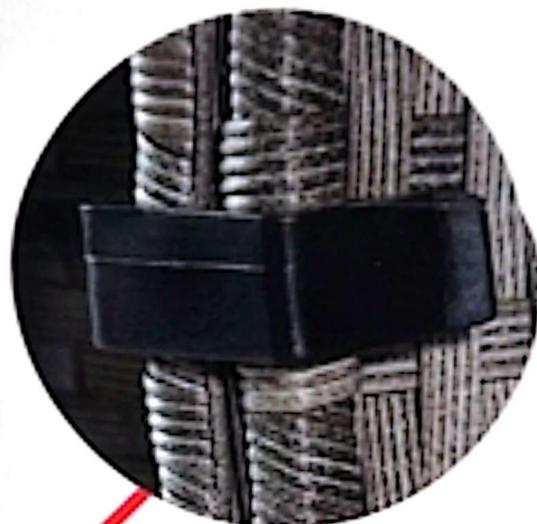

3. Fix the screws in place

4. Adjust and set screws

Instruction for Sofa Clips

It is suggested to use the sofa clips included in the set, to connect and fix sofa together. Please refer to following pictures below.

NOTE:

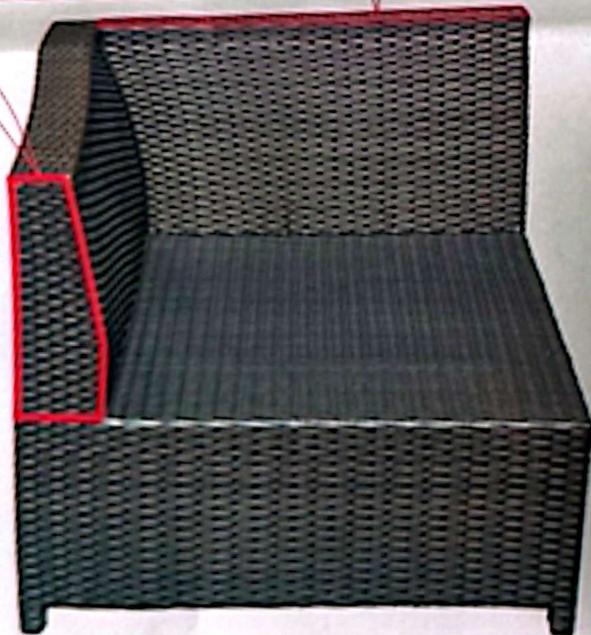

How to distinguish the placement direction

Narrow side: 2.16" inches

Backrest

Wide side: 3.34" inches

Armrest

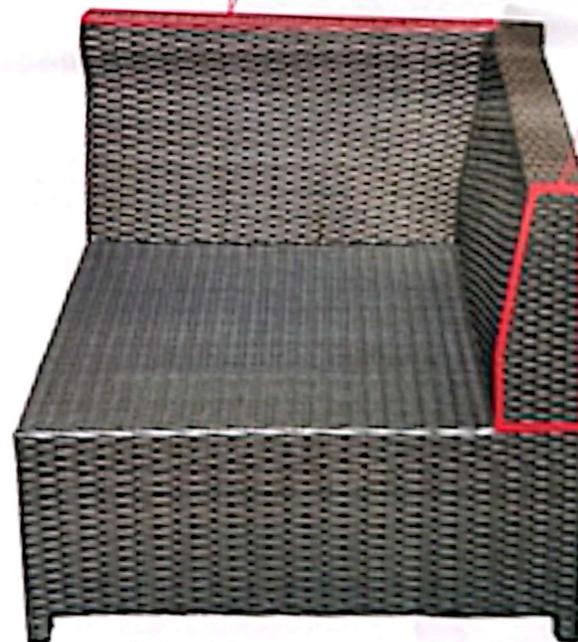

Right Arm Sofa

Narrow side: 2.16" inches

Backrest

Wide side: 3.34" inches

Armrest

Left Arm Sofa

NOTE:

The pillows we supply tuck in the bottom of the corner sofa
